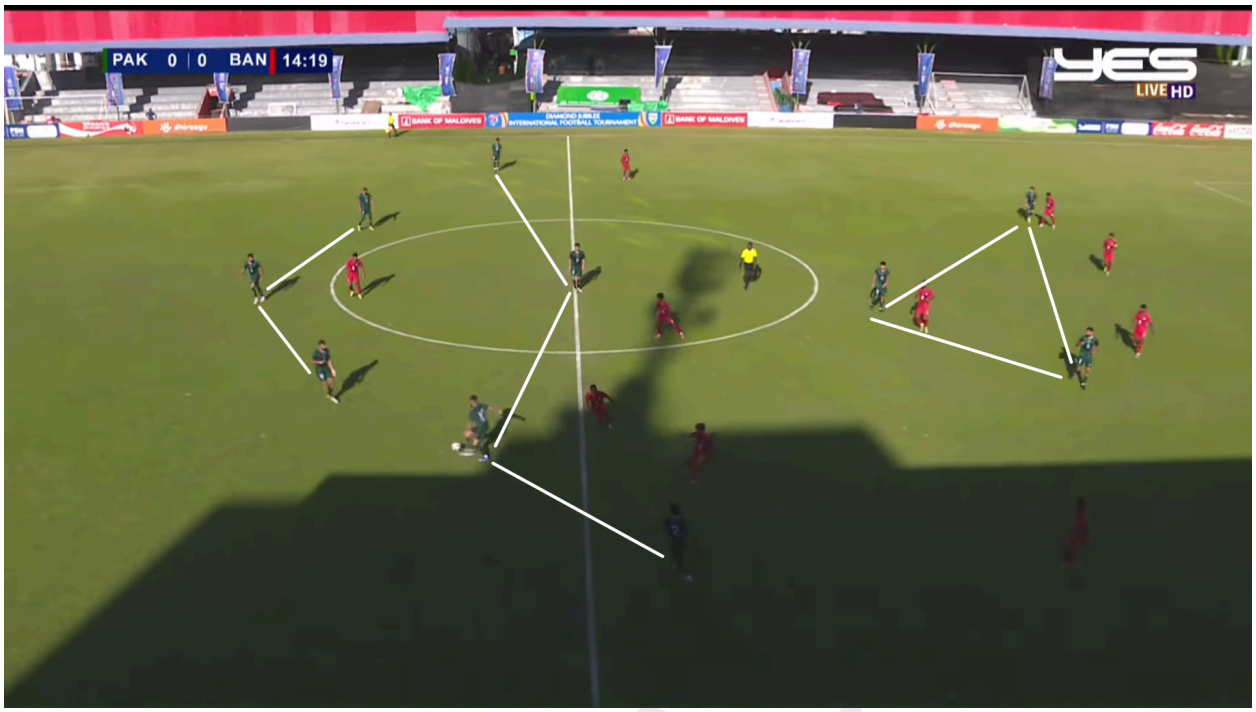
# TACTICAL ANALYSIS

## PAKISTAN ⚽

**Pakistan vs Bangladesh**

**0-0**

- Pakistan started with a 5-3-2 formation
- Rahis/Hayyan had a free role between the mid and strikers up front
- Out of possession/defensive transition
- The right striker (RS) and left striker (LS) stayed high
- Pakistan always had numbers behind



- Pakistan when transitioning had a 3-4-1-2 formation
- Wing backs pushed into midfield of 4
- Hayyan seen as cam/false 9 multiple times
- In possession
- Used wing backs to attack and progress from the flanks

HADI NAS

**Pakistan vs Maldives**

**3-0**

- Pakistan started in a 5-3-2 formation
- Pakistan used the same system as the first match

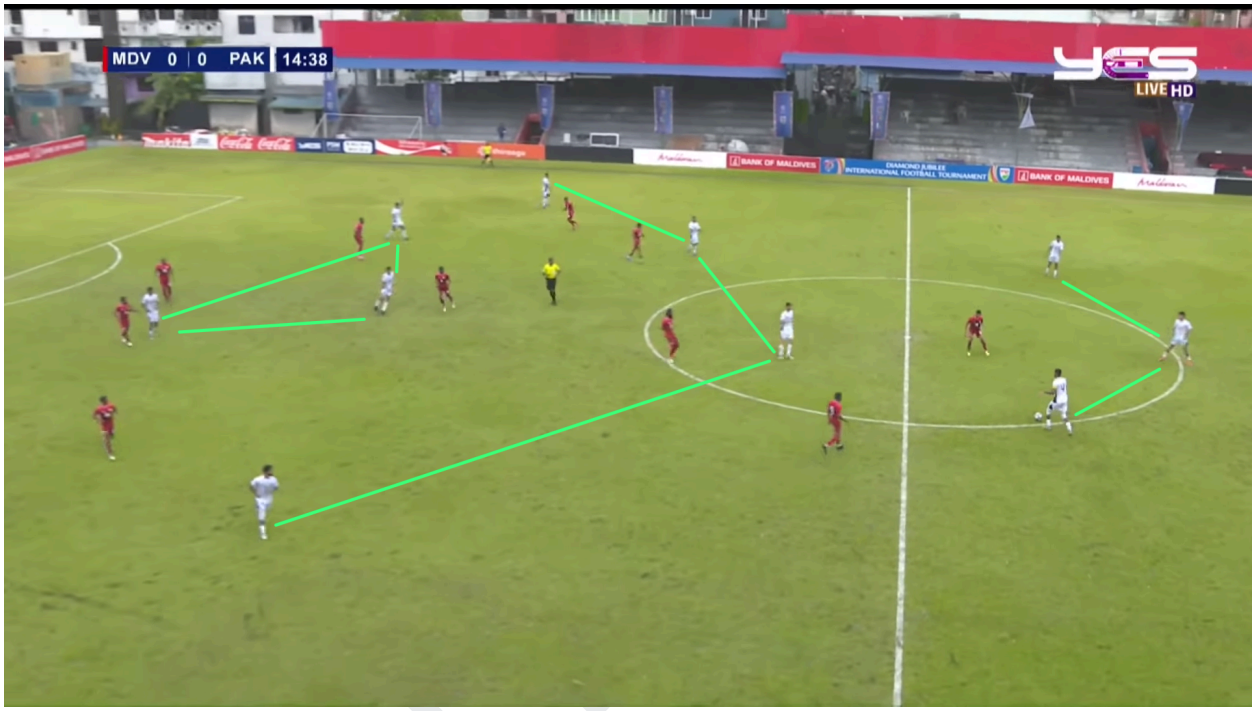
HADI

- Pakistan having numbers in behind while 2 strikers staying higher
- Midfield of 3 giving defensive support

HADI N

- Pakistan defended with a high back five
- Team pushed up the pitch throughout

HADI



- 3-4-1-2 in possession while attacking transition
- Same buildup system as in first match
- Pakistan builds through the middle before moving the ball to the wings
- Hayyan (CAM) sometimes moved forward to create a front three

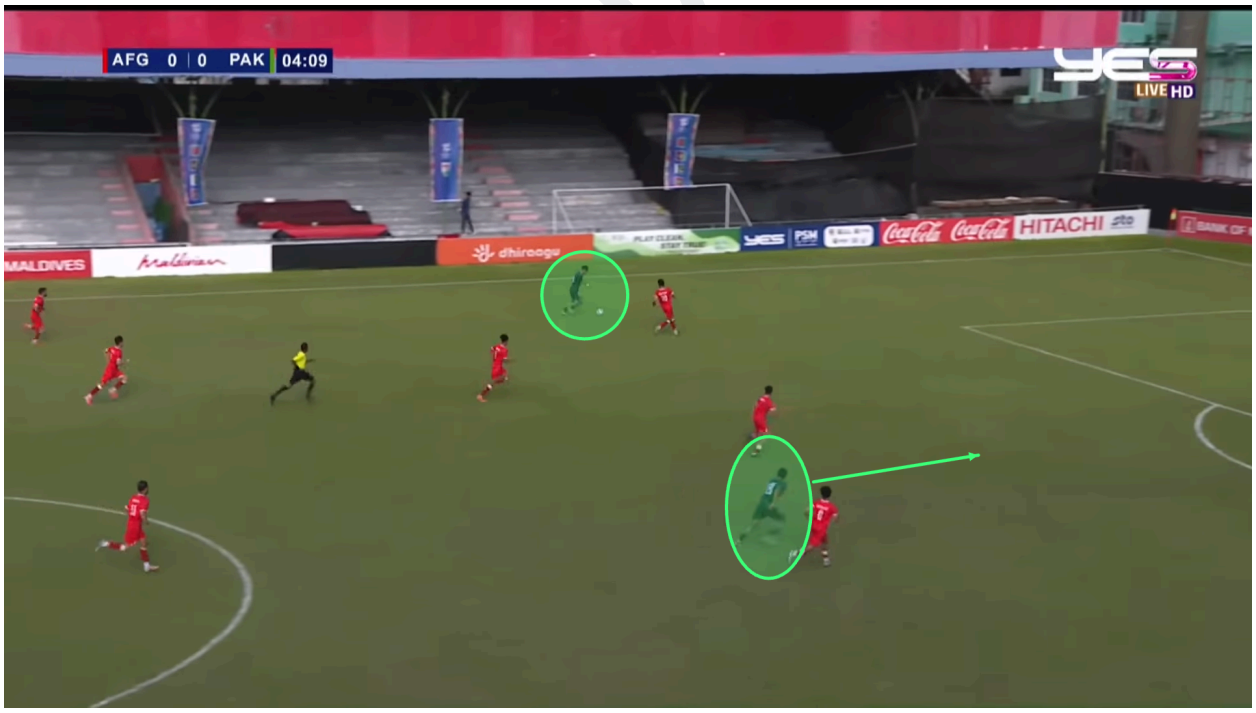
- Haris Zeb carried the ball into midfield and drew the press before making a well timed pass to Hayyan on the right
- Hayyan made a good run into the open space and his shot was saved by the goalkeeper
- Umar Nawaz made an excellent run between the defenders and was in the right position to score from the rebound

- Otis Khan received the ball in midfield and carried it towards the left wing
- He beat his opponent with a dribble before cutting inside into the central area
- Otis played a one-two pass with Harun Hamid, drawing several defenders towards him
- Abdul Samad stayed free on the right side and was in the perfect position to receive the pass
- Abdul Samad finished calmly into the bottom corner

**Pakistan vs Afghanistan**

**2-0**

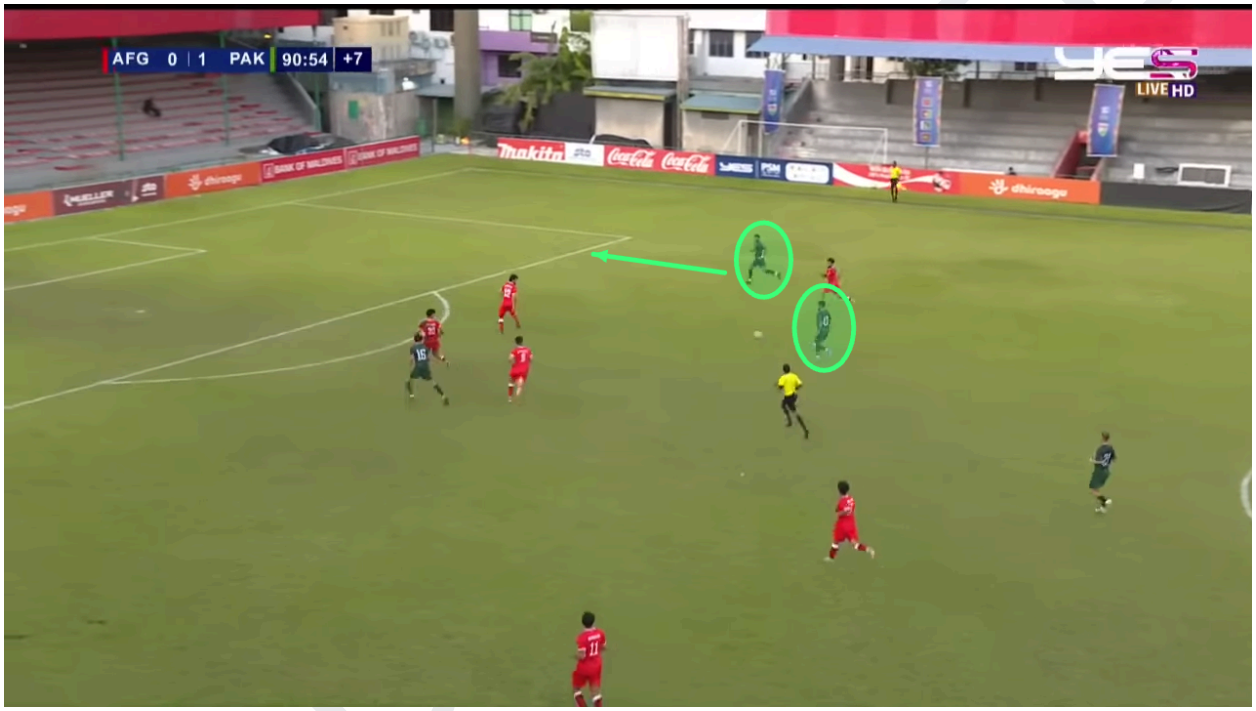
- Pakistan made a tweak in their current system now moving to a 5-2-3 to have more attacking width and effective pressing up front
- More comfortable attacking from out wide



- Otis Khan played an excellent pass from the halfway line to Shayek Dost on the left wing

HAJEEB

- Shayek Dost made a well timed run down the flank before squaring the ball into the box
- Umar Nawaz made a perfectly timed run from deep between the defenders
- Umar Nawaz finished with a first time strike into the bottom corner to score



- Otis Khan switched the play from the left wing into the middle to Adil Nabi
- Adil Nabi carried the ball forward with no pressure and progressed into the final third
- Harun Hamid made a well timed run from the right side.
- Adil Nabi played a through ball between the defenders.
- Harun Hamid finished the move with a shot into the goal

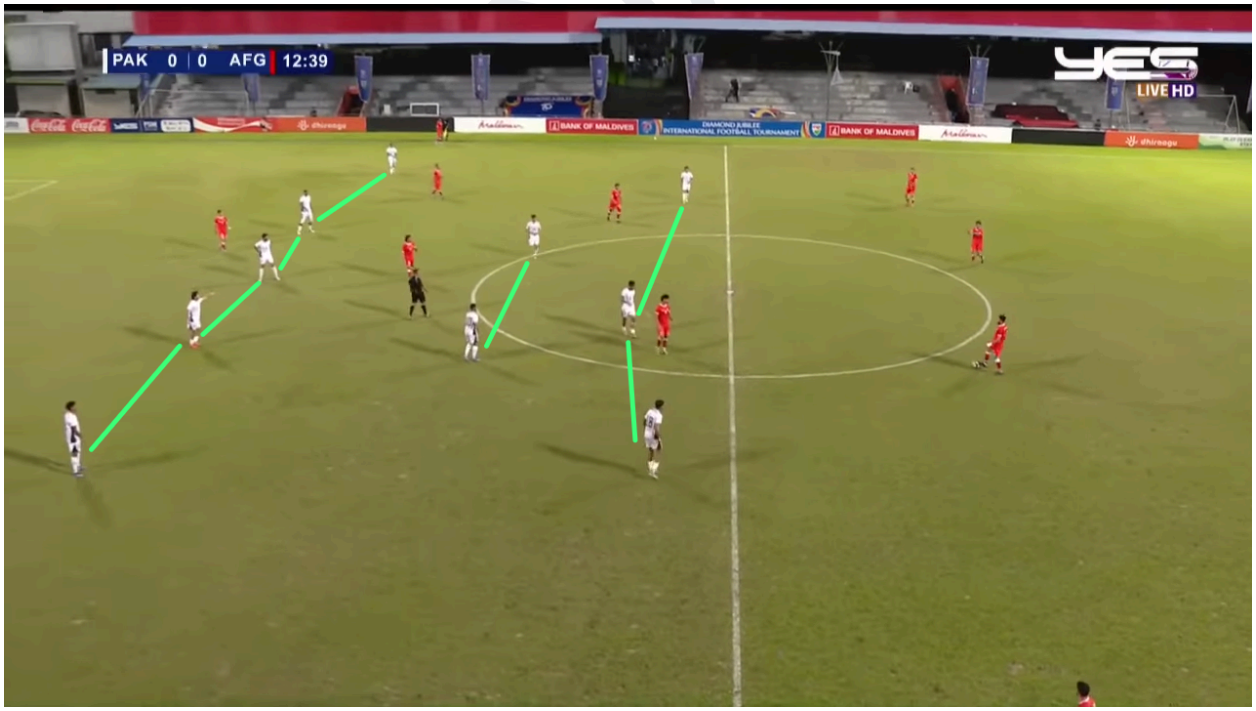
- Pakistan defended in a 5-4-1 mid-block during the final minutes
- Used this a transition for counter
- Blocked passing lanes pushed them to play long

- 3 at the front balanced out the system
- Improved the performance as a team
- Otis Khan dropped into the CAM role at times before moving to the left wing
- Wing backs complemented this shape

**Pakistan vs Afghanistan**

**FINAL**

**2-0**

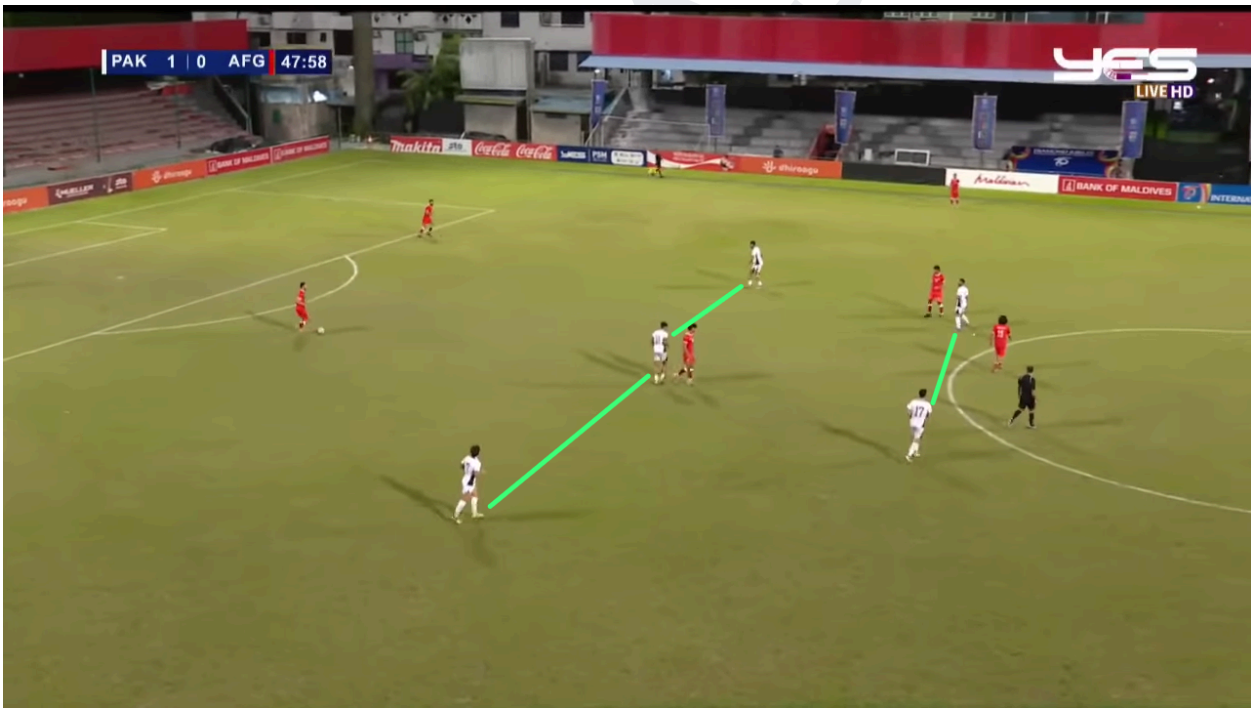


- Pakistan switched to a 5-2-3 formation

- Pakistan maintained a disciplined defensive structure
- In attack, Pakistan used a 3-4-3 shape
- In defense, Pakistan used a 5-2-3/5-4-1 shape
- The two central midfielders supported both the attack and defense
- The 5-2-3 formation suited the team better

- The team blocked passing lanes well
- 5-2-3/5-4-1 defensive shape
- When defending, Umar Nawaz and Otis Khan dropped into midfield, forming a 5-4-1

- When defending, the team stayed compact and numbered
- Pakistan defended in a mid block where wingers dropped
- The wingers provided good defensive support



- The two central midfielders supported both the attack and defense
- Press with 3 up front

- Using width effectively
