EXPERIENCE

Inside Football Pakistan March 2026 – Present
Data Analyst

- Developed interactive dashboards in Power BI to analyze Pakistan national football team performance metrics and match statistics
- Collected, cleaned, and structured football for accurate reporting and visualization.

Football Factory Pakistan 2024
Football Coach Lahore, Pakistan

- Transitioned from intern to football coach by taking increased responsibility in planning and leading training sessions independently
- Designed and delivered structured drill sessions focused on grassroots development

ACHIEVEMENTS

Futsal Captain 25/26 - FAST NU Lahore

I served as the Futsal Team Captain of my university, leading the team in inter-university competitions and tournaments. I demonstrated strong leadership by organizing team strategies, motivating players, and ensuring effective on-field coordination. I actively contributed to match decision-making, tactical adjustments, and maintaining discipline under pressure. Through my efforts, I improved team communication, performance, and helped build a strong, competitive team culture focused on resilience and continuous improvement.

Assistant Vice President - FAST Sports Society - FAST Sports Gala 2025

As Assistant Vice President of the FAST Sports Society, I managed the overall execution of major sports events, including Intra FAST and the FAST Sports Gala 2025, a corporate-level event. I served as Director of Registrations and Liaison, overseeing company registrations, participant coordination, and logistics management. I acted as the primary communication bridge between organizing teams, external companies, and university departments to ensure smooth operations and resolve coordination issues. Additionally, I handled registrations and coordination for external inter-university sports events involving FAST delegations.

Runners Up - Milo Futsal Cup 2024 - Pakistan Football Federation

FAST-NU Lahore secured the runner-up position in the MILO Futsal Cup organized by the Pakistan Football Federation (PFF), competing against some of the top universities . The team delivered strong performance and this achievement highlighted our consistency and ability to perform under high-pressure inter-university matches.
